About Us.

AR Solution is a leading infrastructure and construction company that provides a wide range of engineering and project management services. Founded in 2020 by Mr Anurag G. Sachan, an industry veteran with over 19 years of experience, AR Solution has established itself as a trusted partner in the telecom, construction, railway, and renewable energy sectors.

With expertise in Telecom Infrastructure, Civil & Electrical Maintenance, Solar Power Projects, Pre-Engineered Buildings (PEB), and Railway Electrification, we deliver projects with precision, innovation, and sustainability. Our commitment to quality, safety, and timely delivery has earned us long-term partnerships with leading corporations across India.

At AR Solution, we believe in transforming ideas into reality with cutting-edge technology and a client-focused approach. Our dedicated team of professionals ensures that every project we undertake is completed with efficiency, durability, and excellence.

Mission & Vision.

OUR MISSION

Our mission is to drive infrastructural excellence by delivering world-class solutions that enhance connectivity, sustainability, and growth. We aim to:

- Provide innovative, high-quality, cost-effective solutions for infrastructure and telecom projects.
- Maintain ethical and transparent business practices.
- Foster long-term partnerships with clients through trust, reliability, and superior service.
- Contribute to India's growth by developing sustainable and eco-friendly infrastructure.

VISION

Our vision is to become a leading infrastructure development company known for innovation, integrity, and impact. We aspire to:

- Be at the forefront of telecom, construction, and renewable energy advancements.
- Expand our expertise into smart infrastructure solutions for the future.
- Create lasting social and economic value through our projects.
- Empower communities by enhancing connectivity and accessibility.

Our Philosophy.

At AR Solution, our philosophy is rooted in excellence, innovation, and responsibility.

Innovation & Excellence – We continuously evolve, adopting the latest technologies and modern methodologies to optimize efficiency and enhance the quality of our projects.

Integrity & Transparency – Honesty and professionalism drive our interactions with clients, partners, and employees. We believe in clear communication and ethical business practices.

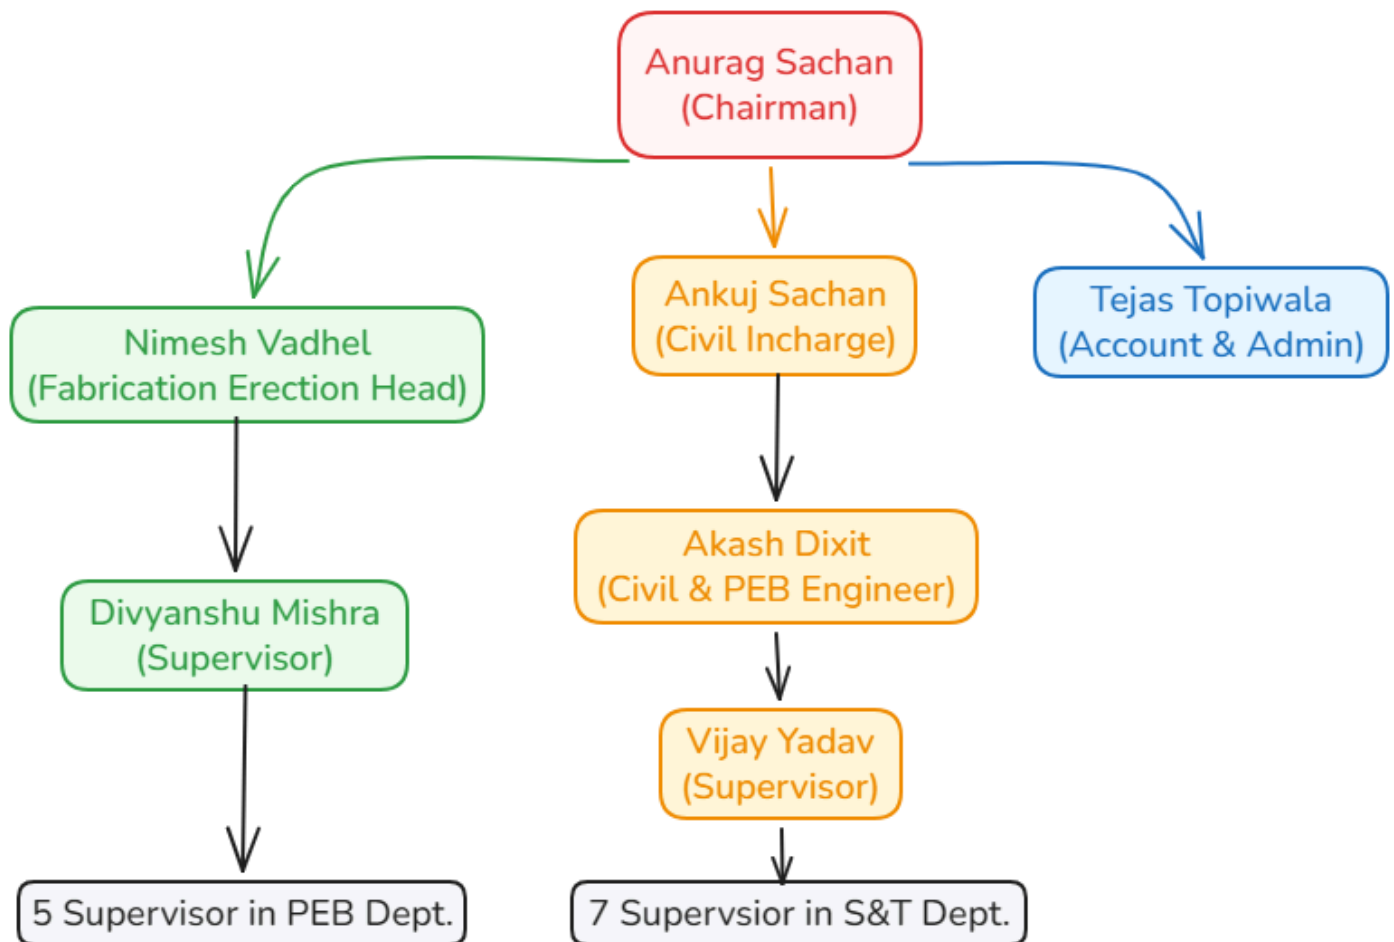

Client-Centric Approach – Every project is unique, and we customize our services to meet the specific needs of our clients while ensuring high-quality execution.

Sustainability & Growth – Our projects emphasize eco-friendly solutions, energy efficiency, and environmental responsibility, ensuring long-term sustainability.

The Organization.

The strength of AR Solution lies in its dedicated and experienced team. Each member brings specialized expertise, ensuring successful project execution.

Our Team

Our Clients & Services.

Key Projects & Services

Pre-Engineered Buildings (PEB) – Design, Fabrication, Painting and Erection of PEB structures
